Where learning is for life

A LEVEL UNIVERSITY of CAMBRIDGE International Examinations

SAIPAL ACADEMY
Message from the Chairman

Dear Students and Parents

Welcome to Saipal Academy Family!

The core vision and mission of Saipal stands out to develop students to lead the ever-innovative world today. Several hundreds of students have been educationally thrived from top-notch facilitation compiled with deep-rooted grooming since 2000 A.D. Flexibility has been the driving force of our team to consistently create generations focusing on ‘intelligence quotient’ as well as ‘emotional quotient’. As someone has put it beautifully – ‘there is a time to let things happen and time to make things happen’, I believe that our time has come to make things happen. As William Peterson stated “decision is spark that ‘ignites action’, we have made the decision and now we are acting on the same decision and mission. We agree with what Eleanor Roosevelt stated “the future belongs to those who believe in the beauty of their dreams” we believe in the power of dreams and we believe in taking bold steps to achieve our dreams!

Finally, I’d like to extend my thanks to all those who continue to support us in our mission in the past in the present and in the days to come.

Thank You!

Niranjan Chapagain - Chairman
Message from the Principal

Baa, baa, black sheep,
Have you any wool?
Yes, sir, yes, sir, Three bags full...
- A nursery rhyme.

It still smells good to me.
In the pool of hypocrisy, hegemony, and delusion, I again want to be a child and feel the innocence that brings the very smile in the face of teachers and parents. Yes! We want the same innocence and sweet smile again to nurture the academic environment of Sajap Academy. A child hardly lies and betrays one’s family and friends, so do we. We believe in hard working, dedication and sincerity, and we expect same from our students. Moreover, we not only care our students with huge potential but with great dedication. As we know every child is so special and unique, hence we are committed to care what students deserve. Yes! The three bags full for me are; the idea of triangular relationship between parents, management and students; the motive of dedication to enhance the academic foundation; and the outstanding platform for the personal development. It means, we believe in paternalistic style of leadership, how harsh the situation is we will be always together. At Sajap, students will always get the flavor of home where they will not be alone. At last, I will welcome all the parents and potential students to join the alliance and feel the world of difference...
Introduction

Saiyo Academy is a time tested Nepal’s Premier learning institution which was established in 2000 A.D. Its commitment to excellence ensures the quality education for life long. Saiyo is known for its student-centered brand of learning with the motto of producing a good human inside.

At Saiyo every individual experiences and experiences multi-dimensions of living (innocence, respect, morality, dedication, goal, failure, failing back, achievement, and more). Each student is equipped with self-respect and dynamism and is ultimately prepared for real-life challenges by focusing on the overall development of individual that result in the prosperity of the nation itself.

Award winning faculty, excellent academic front, super-learning methodologies and state-of-the-art facilities prove Saiyo as a leading educational foundation in Nepal.

Situated in an airy and spacious location, Saiyo offers most coveted GCE A Levels, HSEB Plus Two, Pre-School and Secondary Level School (Grade I to X).

Our Vision & Mission

Saiyo Academy has cemented its vision and mission when it was established. The vision of the institution is to prove itself as a Model Academic Foundation Globally by foregrounding its slogan “Learning for Life.” It is enhancing its mission by promoting learning attitude among individuals and encouraging to explore one’s best potential within; and by creating an environment to thrive out of the box to stand intact to tomorrow’s challenges.

Saiyo Academy believes that education is the strongest weapon among all, and it feels meaningful what the Nepalese Poet Laureate Luxmy Prasad argues, “An educated person is like moonshine that fades...” It means, education enlightens people, help them come out of the tunnel, and help them to shine like the sun. Saiyo Academy tries to justify the same motto.

Our Guiding Principles

- We believe in the constructive competition among individual and organizations;
- We believe in dedication and honestly at work;
- We believe on the beauty of dreams;
- We believe that every individual has unique potentiality;
- We believe that mysteries must be unveiled;
- We believe on the continuous efforts;
- We believe on team-work;
- We believe on never-ending learning process;
- We believe that there can have failures, however, ultimately a victory.

Why Cambridge A Level?

The recognition of the qualification/degree that is accepted and valued by every educational institutions and employers worldwide is of major importance. Cambridge syllabus are world class, flexible and are focused on the minute details of the study, hence, we believe, it is highly relevant qualification in the present context. Examination are conducted and moderated by UCLES (University of Cambridge Local Examinations Syndicate), held in every six months that makes students easy to prepare if they are intending to appear in partial examinations. Wide variety of subjects and syllabus are available as per the needs of students in the global perspectives.
Recognition of A level in Nepal

The GCE Advanced level courses are recognized by the most of the academic institutions worldwide including Tribhuvan University, Kathmandu University and other universities of Nepal. According to U handbook, A level is equivalent to grade 12. (2019)

Subjects Offered at Saipal
Advanced level courses provide a firm foundation to students entering into the university or college for their further studies. Wide range of subjects available at A level allows the students an opportunity to make a subject combination of their own field of interests, potentials and objectives. Saipal offers all the major subjects required for the entry into various fields like medical science, Engineering, Business Management and Humanities.

Saipal A Level

Saipal, in its 14 years history has produced outstanding results. One of our students Rikesh Karna, achieved the World Top result in General Papers and twelve others have achieved Nepal Top awards in various subjects in different international examinations. Saipal is registered at the ministry of education for conducting Cambridge A level courses. Saipal, with its Center Number NPY755 is validated by University of Cambridge, UK. The students studying A level courses are assured about the validity of their studies at Saipal Academy where the team of teaching faculty is striving for students desirable results in their endeavors.

Subjects offered at Saipal A Level are as follows:
- General Paper
- Biology
- Economics
- Environment Management
- Mathematics
- Accounting
- Business Studies
- Physics
- Chemistry
- Computer Science
- Sociology
- Art & Design
- Nepal Studies

*Students must take a minimum of 4 subjects including General Paper. General Paper is obligatory.
Objective of Saipal A level

The objective of Saipal A Level is to create an environment that would facilitate extensive learning opportunity and enable each individual to compete at home and abroad.

Admission Procedure
Prospective students at Saipal A level are required to sit for an entrance examination and interview. Candidates will be offered an admission, based on the admission committee’s assessment taking into consideration of past academic performance, performance in the entrance examination, and the level of intelligence.

Program Details
Cambridge A level courses can comfortably be completed within two years, and there is no time or age limitation for the completion of A level degree. The courses are divided into two equal halves—first year is called AS (Advanced Subsidiary) and second year is called A2. Students can sit for year wise examination for AS and A2 or directly appear finally for A level which consists of complete two years’ curriculum.

Eligibility for Enrollment
Students who/sis to pursue A levels at Saipal Academy must have passed SLC or hold and equivalent degrees (O level, CBSE, and so on) to be eligible for admission.

Enrollment procedure
Admission are announced immediately after the completion of SLC examination each other. Prospective students are required to collect admission forms and sit for an entrance test. All applicants must submit the following with the application form:
1. Duly completed application form attached with two color passport sized photographs
2. Certified copies of relevant academic professional qualification and transcripts
3. Application processing fee Nrs. 1000/- (gets one Saipal T-shirt)
Curricular Structure

There are fourteen subjects that Saipal A level offers. Each student should take at least 3 major subjects and a compulsory General Paper, however, students who wish to take extra credits can also go for one additional subject.

### EVALUATION

SAHSS has its own system of internal evaluation for the assessment of the student. They must take terminal tests involve in classroom presentation and complete every home assignment. Student should mandatorily attend and pass terminal and pre-board examination. The external evaluations are set by the HEBB.

### ENROLLMENT PROCEDURES AND CRITERIA

Admission Eligibility for +2 Programs: Students must have secured at least second division in SLC exams or passed the O levels. Students must visit the college with parents/guardians with equivalent transfer/certificate, mark sheet, and 2 recent PP size photographs while applying for the admission. Admission arrangements are discussed in detail with parents and it is carried out on the basis of entrance test followed by an interview. Students must pass SAHSS entrance test to be qualified for the admission. The final selection is decided by the selection committee of the college. Students must fill in a commitment form at the time of admission. Enrollment fee is only charged once for the entire session.

### FUTURE PROGRAMS

The college has a plan to launch MBA program to cater the need of business organisation. It also envision to start Masters level programs in the future.

### SCHOLARSHIP SCHEMES

SAHSS has a provision of a scholarship in different categories:
- Scholarship for Martyrs’ Children, riot hit or handicapped parent’s children: 2 Quota
- Scholarship for backward class, poor family, and meritorious students: 8 Quota
- 75%-79% SLC Result: 20% Scholarship in monthly fee. If student couldn’t maintain the same position in mockterm exams, the scholarship will be nullified.
- 80%-85% SLC Result: 45% Scholarship in monthly fee. If student couldn’t maintain the same position in mockterm exams, the scholarship will be nullified.
- 86% and above SLC Result: 100% Scholarship in monthly tuition fee. The student must maintain the same position in mockterm exams for the continuation of the scholarship.

**Note:**
- Practical fee and annual fee will be charged from these students.
- To empower the students, special scholarship quotas are reserved for the following categories: students from very remote areas- 2 Quota; students from Dalit Community: 2 Quota, economically underprivileged students- 2 Quota, students referred by NSS/3-2 Quota.

Facilities of an institution are what portray an image of it. The facilities not only facilitate learning environment, but also strengthen the mind and the body.

**COMPUTER CENTRE**
Regularly updated software backed up computers are in just place to get the students familiar with the IT world. Each student can freely benefited oneself from the computer system as per ones necessity.

**EXAM HALL**
The college has its own exam hall equipped with the necessary facilities.

**CLUBS AND ACTIVITIES**
Saipal focuses on various co-curricular and extra-curricular activities to instill character traits like honesty, cooperation, and diligence to promote leadership and enhance self-confidence in students. Saipal Academy has different clubs to run different programs (debates, quiz contest, painting, drawing, music session, dances, usual excursions, camping, and more). Student clubs are focused on exploring the potentiality within and to run programs which are directly linked with social welfare (Cleanliness campaign, reforestation, Charities, and such).

**EDUCATIONAL EXCURSION**
Saipal organizes regular educational tours to experience the diversity within and outside the nation; to feel the social responsibilities and to encourage leadership among students.

**LABORATORIES**
Saipal supports students with high-tech equipped lab for physics, chemistry, and biological research and experiments. Each student is facilitated with necessary equipment to strengthen theoretical concept in a tangible way. For the Hotel Management Students, there is a spacious lab with necessary equipment in open display.

**PARKING**
The college has its own secured and spacious parking ground at the side of the college building.

“The biggest need in term of FACILITIES is clearly a Grade School.”
- Grey Williett

Won Full Scholarship at Howard University, USA (Aeronautical Engineering)

Uttam Bhetwal
Troy University, USA, Won Full Scholarship
SAIPAL
ACHIEVEMENTS
AND AWARDS

2003 - 2016

World Toppers & Nepal Toppers in every alternative years.

YEAR 2016
- Ace Kaleidoscope 2016, Best College Award
- Nepal Topper in Economics (A Levels)

YEAR 2015
- National Level Basketball Girls Team. Unbeatable girls team in any of the Basketball Tournaments. Among them: Under 18, 19-20 national level Competition (Bengaluru), Trinity Cup (Viacus Cup), Omega's Tournaments are some of them.
- Winner of GISIM / Buddhankantha. Second position in TIA Cup and many more.
- National Level Band. Won many competitions including Kaleidoscope.

YEAR 2014
- Scored 83.4% in HSEB Examination by Aarya Chhetri
- Pass Percentage 100% in Science, 99% management.

YEAR 2013
- First Position in Girls Basketball in First British Council Inter A Level School Meet organized by the British Council.
- Second Runner Up in Chess Boys and Girls during 2nd Saipal School Meet.

YEAR 2012
- First Position (Girls Basketball Category) in 2nd Ace Inter A-Level College Basketball Tournament.
- First Position in Boys Basketball Tournament organized by First H.K. City Inter School Basketball Tournament.
- First Position (Girls Basketball Category) in Inter A Level 3 on 3 Basketball Tournament organized by Trinity International College.
- First Runner Up in N.K. Memorial Inter College Football Tournament organized by Buddhankantha School.
- Second Runner Up in Science Tech organized by Trinity College.
- Second Runner Up (Girls Basketball Category) in 1st Pyramid Inter College on 3 Basketball Tournament.

YEAR 2011
- First Position in Open Swimming under 19 in Free style organized by National Sports Council.
- First Position in Ideal Staff Basketball Cup organized by Ideal School.
- First Position in A Level Convention organized by Buddhankantha School.
- Second Position in Columbus Basketball Cup.
- Second Position in National under 19 Women Basketball Cup.
- Third Position in Ace Literary Competition.

YEAR 2010
- Nepal Topper in General Paper In GCE A Level Examinations.
- Nepal Topper in Computing and Science in the International Assessment of Schools held by the University of New South Wales, Australia.
- Highest marks in English and Science from Nepal in the International School Assessment Examination of the University of New South Wales, Australia.

YEAR 2009
- Nepal Topper in Computing in the International Assessment of Schools held by the University of New South Wales, Australia.

YEAR 2008
- World Topper in General Paper in GCE A Level Examinations.
- Nepal Topper in Computing in GCE A Leve Examinations.

YEAR 2004
- Nepal Topper in Combined Science in Cambridge O Level Examinations.

YEAR 2003
- Nepal Topper in Top 4 O Level subjects in Cambridge O Level Examinations and received cash prize worth NRs 50,000/-
